### The Project

Exeter Business Park is the largest out of town office development to the South West of Bristol. Over the last 15 years this scheme has attracted an array of high profile occupiers to include the Metrological Office who occupy 400,000 sq ft, British Telecom, EDF Energy, Ashford Solicitors, Regus and many others.

Phase 2 will comprise up to 160,000 sq ft of new build offices.

Alder King has been responsible for the letting and sale of buildings throughout the scheme, both to owner occupiers and investors.

Alder King has also advised in relation to various project monitoring issues.
