

Expert Witness Team

With over 20 partners who act as witnesses at high court level, Alder King is leading the way in providing expert advice.

Each member of our Expert Witness team, has a minimum of ten years professional experience and has first hand knowledge of the research and preparation required prior to court and the role of an Expert Witness as the case is being heard. Our experts also understand the importance of providing our clients with appropriate advice, support and information prior to, during and post court proceedings.
